

1 \_\_\_\_\_ was a brave little pup  
Who always had 2 \_\_\_\_\_ in her favorite cup  
When she glanced at the 3 \_\_\_\_\_  
She realized with shock  
The time on her invitation had passed

With no way to get to her destination  
She resorted to 4 \_\_\_\_\_ a friendly crustacean  
He pointed the way  
To a ship in the bay  
With a 5 \_\_\_\_\_ flag hung on the mast

The 6 \_\_\_\_\_ was the name of the boat  
Captained by a shrewd 7 \_\_\_\_\_ of a goat

She climbed on board  
And up they soared  
Vanishing into the sky so vast  
A rival ship appeared through the clouds  
With 8 \_\_\_\_\_ automata in bustling crowds  
When 9 \_\_\_\_\_ filled the deck  
The machines made their check  
And brandished their 10 \_\_\_\_\_ quite fast

With the grace of a 11 \_\_\_\_\_, she fought  
Facing down the ferocious onslaught  
As a fighter in the 12 \_\_\_\_\_  
Her weapon did sing  
She stood victorious and steadfast

Landing in the harbor safe and sound  
She met with her friends in the center of town Playing  
13 \_\_\_\_\_ with June and Quincy  
Ending a day of fun and 14 \_\_\_\_\_  
Two 15 \_\_\_\_\_ and a pup, together at last.

## CLUE KEY

This Poem scavenger hunt was designed to be used with our pre-recorded programs. The Clues below tell you which program the word is taken from and each word is said within the first few minutes (the one exception is the first word/Clue). Each word we've picked is lingered on in the program, or can be figured out through subject of the program, or poem cues.

There are prizes for 100% correct answers! Take a picture of your finished poem and send to [director@jewelrycitysteampunk.com](mailto:director@jewelrycitysteampunk.com) with your name and address to receive your prize.
